MESSAGE

I am extremely humbled and grateful to be chosen as your Sports Captain. This honour is not just a personal achievement but a responsibility I embrace wholeheartedly and I want to thank you all for entrusting me with this position.

I would like to express my sincere gratitude to my teachers and coaches who work tirelessly to instill values and nurture us to be better versions of ourselves. I promise to uphold these values and do my best to pass them on to the younger upcoming sportspersons.

I firmly believe sports unites all, regardless of skill and background and I aim to uphold this and ensure all those who want to participate in sports have the opportunity to do so. Let us be the epitome of sportsmanship showcasing not just our skills, but also our character.

Our school has a rich tradition of excellence in sports and it is our duty to carry that torch forward lighting the way for future generations. I am excited and honoured to serve as your Sports Captain. Together, let's make this year memorable not just for the trophies we may win but for the friendships we build, the memories we create and the values we uphold.
