PLAETO PIONEERS SPORTS EVENT

DPS-East Bangalore and DPS-Mysore enthusiastically participated in the Plaeto Pioneers program last Saturday, held at the Dravid Padukone Sports Center. The feedback received has been overwhelmingly positive, both in terms of the program's content and the overall experience. The presence of Baichung Bhutia, the legendary Indian footballer, was a source of great inspiration as he shed light on the pivotal role played by PE teachers in the lives of children. Additionally, attendees had the privilege of learning from Child Psychologist Ragini Yerrapudi and Ironman triathlete Deepak Raj, who shared invaluable insights on the significance of play and sports in child development.

The PE teachers also had a dedicated session focused on fostering child-like fun through engaging team-building activities. We believe that this event has not only been enlightening but also enjoyable for all involved. We anticipate that this event will further strengthen the partnership between Plaeto and our schools.

Plaeto is looking forward to explore more opportunities to engage with our teachers and students in ways that provide significant value, ultimately promoting the importance of play and physical activity. Special thanks to Mr Ganesan for his unwavering support in coordinating this event with us. Your support has been instrumental in making this event a success.
