

DELHI PUBLIC SCHOOL BANGALORE EAST SPORTS NEWSLETTER

August 2022

"Champions keep playing until they get it right."

- Billie Jean King

“Difficulties in your life do not come to destroy you but help you realize your hidden potential and power, let difficulties know that you too are difficult”

- Dr. APJ Abdul Kalam

Dear parents and students, We place a lot of importance on sports and games which keep us fit and healthy and provide a break from routine life. Delhi Public School Bangalore East aims at all-round development of children into well disciplined, academically oriented and self – confident individuals who will move on to make a mark in the global society and achieve excellence in all walks of life. Our students here are trained how to tackle difficult situations in life and also develop mental and physical toughness by participating in various sports events.

Games and sports are an integral part of a student life as it gives energy and strength for being active and productive. It provides a platform which helps in developing their individual self. Sports foster a sense of camaraderie and unity among the students. We in DPSE engage them in various activities at a very young age which will develop their ethics and values. Sports activities improve academic performance, confidence, emotional stability and positive body image. The school not only aims to improve a student's physical abilities but also instill a sense of good sportsmanship in them.

I would like to end with a quote by Sachin Tendulkar –
“Enjoy the game and chase your dreams. Dreams do come true!”

Warm Regards
