As the national flag soared and the anthem resonated, the 78th Independence Day 2024 was yet another heartfelt homage and poignant reminder of sacrifices made, in building the nation that most of us have been born into. The official theme for India's 78th Independence Day 2024 is "Viksit Bharat"

The year 2024 also marks India's over-100-year tryst with the Olympics. From a single representative in Paris in 1900, Tokyo 2020 marked 100 years since India sent their first official contingent to an Olympics, at the Antwerp 1920 Games.

A century of Olympic history is filled with a number of highs - such as a record eight gold medals in hockey, six of which were consecutive; KD Jadhav's first individual Olympic medal for an independent India, Abhinav Bindra's historic gold at Beijing 2008 and a first-ever track-and-field gold by Neeraj Chopra at Tokyo 2020. There have also been some lows and a couple of heartbreaks along the way.

The sporting community at DPS Bangalore East and their well-wishers, laud the efforts and draw inspiration from the wins, while learning from the defeats of the best that each country had to offer in that arena of the titans -the Olympics. Spectacular performances, nail-biting finishes, record breaking wins, painful disappointments, hard earned medals, stories of incredible resilience, some stories of chance and luck, all played out an engaging narrative as the world watched these champions. No doubt, the Olympics has evolved over the years. Skateboarding was introduced at the 2024 Paris Olympics, only to be swept away by thirteen-year-old Momiji Nishiya, from Japan, who won Gold in the skateboarding street event.

We have heard so many heartwarming stories, and stories of grit and determination from different parts of the world. May our own heroes, Manu Bhaaker, Neeraj Chopra, Vinesh Phogat and the entire galaxy of star medallists and participants from the Indian contingent inspire the right spirit of participation as we look forward to a growing contingent in the many world games that are yet to be.

I feel great pride in the achievements of our own players, their participation and victories in their various capacities-Individual, Inter House, Inter-school, State, National and International arenas. I hope that our playing facilities and coaches, among the best, that schools have to offer, will motivate every student to make the most of the opportunities.
